Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(2) A provider file is maintained and contains:

Statements must be obtained at the time of initial registration and updated every two years. *Provider needs to update her physical.*

☐ 110.5(8) Children's Files

☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes. *The files needs to be updated yearly. Please update all your files, some files are from 2 years ago.*

Each file contains:

☐ 110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance. *1 of the 4 children did not have an initial physical in file.*

☐ 110.5(8)d For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian. *2 of the 4 children did not have a statement of healthy signed by parent.*

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually. *2 of the 4 children did not have a statement of health signed by a physician submitted annually.*

☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health. *The children had immunizations in the file but most were not signed and dated. Provider needs to make sure these are signed and dated by doctors office/public health.*

☐ 110.9(1) SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME CATEGORY "B" *The provider was not over numbers at the time of the visit. This is included as a reminder to provider regarding how many children she can care for.*
